Hi Annette,

Yes, I did make it out there. The drums are still present.

Hi Jason,

When you get a chance can you go by the drum site you had checked on last year to see if the drums are still in place. Annette is trying to get an update so can follow up additional actions.

lat/long: 45.305631, -107.359759 of the drums' location on the property

Thanks
