CLEVER FALSECARD

Both vulnerable, West deals

♦ 9 4 3
♣ Q 4 2

The bidding:
WEST NORTH EAST SOUTH
1♣ 1♠ Pass INT
Pass 3NT All pass

Opening lead: Two of ♥

An overcall at the one level is
not the same as an opening bid.
Should partner want to advance the
auction by bidding one no trump,
he should have a bit more than he
would need to make the same bid
after partner opens the bidding. 8-11
points is normal, although judgment
is certainly involved. South's one no
trump bid in today's deal was sub-

minimum. North expected more and
jumped aggressively to game. South
had his hands full.
South won the opening heart lead
with dummy's queen and led a low
spade to his jack and West's king.
West continued with the king of
hearts. Declarer, who had noted the
spot cards played by East, knew that
he could win this trick with the ace
and lead the 10 of hearts to set up
two more heart tricks for himself,
but what would he use as an entry to
cash them? South made a spectacular
false card by following suit with the
10 of hearts! He was representing
that he started with just three hearts,
and of course he was trying to induce
a heart continuation. West indeed led
another heart and South cashed three
heart tricks.
A diamond to the king held the
trick as West played low – playing
the ace would not have helped him.
Two high spades in dummy revealed
that West had started with 4-4 in the
majors. South led a low diamond
from dummy. West won with his
now singleton ace and was forced
to lead a club away from his king.
Making three after a very clever play!
